## BAUER'S MEAT MARKET....

A SHOP THAT  
HANDLES ONLY  
PHENIX BEEF

One of the pioneer meat markets at Bisbee is Bauer's market on O. K. street, opposite the depot. The shop makes a specialty of handling only Phoenix beef, and many is the carload of fat beef cattle which reaches here consigned to the Bauer market. Mr. Bauer is a rare judge of cattle on the hoof, and every steer must pass his critical inspection before being killed and dressed for use in the market. In consequence the meats offered are of the best quality. Try Bauer's meats.
